The League supports Election Day registration, (registering and voting) on the same day, as a proven method of increasing voter participation. The League supports pre-registration of 16 and 17 year olds to ensure that their voting participation is routine before they attend college or enter the workforce. Ballot Design	The League supports improvements to ballot design that would include: (1) A clear delineation between offices with a bold vertical bar between offices and a fine line between the candidates (2) A larger font with an absolute minimum size (3) Fill-in circles in black instead of gray.	A.3389 (Kavanagh) Creates the Voter Friendly Ballot Act which would create a ballot layout that is easy for voters to read and use.
Single June Primary	The League of Women Voters of New York State strongly supports legislation that would create a single combined congressional and state June primary date and would bring New York State into compliance with the Military Overseas Voter Empowerment (MOVE) Act.	A.9108 (Cusick)/ S.6452A (Stewart-Cousins) Allows for the consolidation of state and congressional primaries to create a single June primary.
Electronic Poll Books	The League strongly supports replacing printed poll books with electronic poll books to eliminate time and resources spent producing paper poll books and updating voter information, and to speed up processing voters at the polls on Election Day.
